Revolutionary Frank Blair.

The Democracy of Missouri have just elected Frank Blair to the United States Senate. His platform is as follows:

ST. Louis. Jan. 17.—On Friday a resolution was introduced in the Lower House of the Legislature endorsing the 13th, 14th and 15th amendments, the reconstruction policy of the Goverment, and favoring the payment of State and National in-debtedness according to the several contracts upon which the indebtedness is based. The resolution was debated during the morning hour Friday and Saturday, and continued yesterday. It has been stated that the resolution introduced by Major Pope, of St. Louis, will force Gen. Blair to sustain the position taken in his famous letter to Col. Broadhead, in 1868, or recede from it. Yesterday Gen. Blair spoke on the question, stating that he was in favor of the 13th amendment, and bein favor of the 13th amendment, and be-lieved the South generally assented, but the reconstruction acts he declared uncon-stitutional, and referred to the decision of the Supreme Court in the case of Cum-mings against the State of Missouri; also Washington, Jan. 19.—The steamer to the case of Mulligan and Bowles, tried by military commission in Indiana during by military commission in Indiana during The following nominations were sent to the war. HEALTH! BEAUTY!!

Strong and Pure Rich Blood-Increase of Flesh and Weight-Clear Skin and Beautiful Complexion

SECURED TO ALL! RADWAY'S

Sarsaparillian Resolvent, Has made the most astonishing cures. So quick, so rapid are the changes the body undergoes under the influence of this truly Wonderful Medicine that

Every Day an Increase in Flesh and Weight is Seen and Felt.

Scrofula, Consumption, Syphilis in its many form a Glandular Disease, Ulcers in the Throat and Mouth Tumors, Nodes in the Glands, and other parts of the system; Sore Eyes, Strumous Discharges from the Ears Eruptive Diseases of the Eyes, Nose, Mouth, and the worst forms of Skin Diseases; Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers, in the Womb, and all weakening and prinful discharges; Night Eweats, and all wastes of the Life Principle, are within the Carative range of Radway's Sarcharges; Night Ewents, and all wastes of the Life Principle, are within the Curative range of Radway's Sarsaparillian Resolvent, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.

Not only does the Sarsaparillian Resolvent excel al known remdial agents in the cure of Chronic, Scrolulous, Constitutional, Skin und Syphiloid diseases, but

it is the only positive remedy for Kidney, Bladder,

Urinary and Womb Diseases. Graves. Diabetes. Dropsy, Incontinence of Urine, Bright's disease, Albuminuria, and in eases where there are Briek dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and white Bone dust deposits, and where there is a pricking, burning seasation, and pain in the small of the back and along the loins. In all these conditions, Radway's Barparuin Re-olvent, aided by the application of Radway's Ready Rollef to the spine and small of the back, and the bowels regulated with one or two of Radway's Regulating Pills per day, will soon make a complete enter. In a few days the patient will be enabled to hold and discharge water naturally without pain, and the Urine will be restored to its natural clear and amber or sherry color.

THE WASTES OF THE BODY Are supplied with new, healthy and vigorous blood, that furnishes sound structure. Hence all suffering from weakening discharges, either male or female, or from Uncers or Sores, through the reparative process of Rabway's Sarsaparitation are arrested, and the rup- and embrace all subjects of general interest.

THE TRUE THEORY OF CURE. RADWAY'S SABSAPARILIAN RESOLVEST supplies the RADWAY'S SARRAPARILIAN RESOLVENT supplies the system, through the blood, urine, sweat, and structure, making constituents, with Tis-ue-making, Flesh-making, Heat or Caloric and Fat-making elements. All of its constituents are nourishing, purifying, and strengthening. It repairs, heals, resolves, and drives out of the body the products of decay and corruption. Consumption, Whi o Swelling, Droggy, Syphilis, Cancer, Tamors, &c., are all of a scrofulous diathesis, and, as such are within the curative range of the Sarraparillian Resolvent.

That S-refula, by whatever name designated, is the result of deposits from the blood, induced or caused by chronic inflammation. That those deposits take place when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the holding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury, or other agents, given in medicines, and which enters largely in the common advertised Earsaparillas, not absorbed er chauged from their natural condition.

That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted.

That the dying body cannot be sustained on any treatment of medication that exhausts the system or fails to neurish the blood, the only medicate the growth of the body depends.

OVARIAN TUMOR CURED. Never has a medicine taken internally been known to have cured tumors either of the womb, uteri, ova-

ries, or bowels; the knife has been the sole reliance in the hands of experienced surgeons; but Dr. Radway's Sarsaparillian settles this question. For it has cured over TWENTY persons of OVARIAN CYSTS and TUMORS, as well as Tumors in the bowels, uterus, womb, liver, Dropsical Effusion, Ascites, and Calculus Concretions. Tumor of Twelve Years' Growth Cured by Radway's Resolvent. BEVERLY, MASS., July 18, 1869.

BEVERLY, MASS., July 13, 1869.

DE. RADWAY—I have had Ovarian Tumor in the ovaries and bowels. All the doctors said "there was no help for it." I tried everything that was recommended, but nothing helped me. I saw your Resolvent, and thought I would try it, but had no fuith in it, because I had suffered for twelve years. I took six bottles of the Resolvent, one box of Radways Pills, and used two bottles of your Ready Relief: and there is not a sign of a Tumor to be seen or felt, and I feel better, smarter and happier than I have for twelve years. The worst Tumor was in the left side of the bowels, over the grain. I write this to you for the benefit of others. You can publish it if you choose. **
